The user guide of school-based NCS students e-Resource kit for parents and teachers was done for facilitating parents and teachers to support students' learning Chinese at home.

Remarks: There is only one NCS student in our school. He and his family immigrated to England since September 2019. Due to the adaptation of living and learning there, that student has not been withdrawn until now. Therefore, the grant funded by the EDB during the 2020/2021 academic year, which served as developing the e-Resource for preparing NCS students in learning Chinese Language, unfortunately it could not be allocated directly to that student.

[#: The support measures mentioned in Parts (1) to (3) above are for reference only. Depending on the different learning progress and needs of NCS student(s) of each school year, as well as allocation of school resources, our school will adjust the support measures concerned.]
